Notice to the Public

The public is hereby advised that Mr. Alfred Reiterer is not in any way connected with Calata Corporation. Contrary to Mr. Reiterer's representation to the public, no such formal negotiations with him have been officially authorized by the Company's Board of Directors as the meeting with him attended to by some members of the Board was merely an accommodation to his relentless and disruptive insistence.

More importantly, the Company has received verified reports from concerned public shareholders that Mr. Reiterer has been soliciting and enticing public shareholders to allow him to be their representative in unlawfully forcing Calata Corporation to buy back their shares in exchange for 30% of the total collections secured.

In fact, in an attempt to blindly convince innocent shareholders into agreeing with him, Mr. Reiterer and his companions have repeatedly forced and unlawfully threatened the Company to make a buy back of some Calata Shares or else they will "make noise" and file cases. The group's fraudulent activities which have been disguised as a valid shareholder claim has likewise been taken into social media. We are now in the process of coordinating with the appropriate government agencies to look into it and investigate all responsible personalities involved including those who are actively participating therein in order to immediately file the appropriate legal action against them.

The Company has already reported Mr. Reiterer to the Bureau of Immigration, National Bureau of Investigation and other government agencies to look into his criminal records. Once verified, appropriate legal action shall be instituted against him in order to ENSURE that Mr. Reiterer and his companions shall NOT use the current proceedings of Calata Corporation to TAKE ADVANTAGE of and making an illegal profit from unsuspecting shareholders.

The public is hereby warned that all other identified cohorts of Mr. Reiterer shall be deemed conspirators and will be dealt with the equal and full force of the law.

Calata Corporation respects the confidentiality of the ongoing proceedings in the Philippine Stock Exchange and is COMMITTED to ensure that it shall exert all earnest efforts in preserving and hopefully increasing further shareholder value in order that the interest of its public shareholders shall be PROTECTED at the soonest possible time. The company will immediately apprise the investing public of the its final resolution.

In the meantime, it is requested that no further acts of public grandstanding be made at the expense of the the whole company and its public shareholders as it unreasonably provokes baseless speculation which will surely damage any positive outcome that is currently being worked on by the Company with the PSE.

Let us work together towards a positive resolution and not allow a greedy few from advancing their personal interest at the expense of all.
