Subject of News Report	Calata set to build 10 vegetable greenhouses
Date of Publication	Jun 27, 2017

Clarification of News Report

"Listed agribusiness company Calata Corp. said it will invest P80 million in the next two years to build 10 greenhouses for vegetable farming.

Calata vice president for business development Parker Ong said most of these greenhouses would be built in Mendez, Cavite which was suitable for vegetable farming.

'Majority will be built there because we want a cold weather. We opted to build greenhouses because of the climate change. Vegetables normally grow in a consistent climate. Most of the vegetables do not grow during the rainy season,' said Ong.

...

The company said it proceeded with the construction of the first greenhouse model in Mendez, Cavite at a cost of P8 million.
